

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They like providing products that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to dramatically reduce cost through productivity gains.

When required, the personnel within TREK and its various dealer members in both parts and in technical support will be accessible. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning machinery running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cleaning cost. The product, the price and the service all work as one to make them the leader in the business.
