

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tiresome it would actually be to tidy up your own home after having a large party, with no assistance from cleaning equipment. Back in the day, when carpets and upholstery had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the state-of-the-art cleaning supplies of that time.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in the year 1906, he began to produce motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to have an international business marketing goods internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This invention came in a time where many cleaning machines were huge and needed 4 or more operators, hence, the Nilfisk C1 changed everything and developed the manner we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning machines provide an excellent solution to an ongoing crisis; stuff get filthy and have to be cleaned on a regular basis, without a lot of effort.

Slowly, the company Nilfisk-Advance grew all through the years. During the early 1980's the company expanded more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the business, aspiring to be an active global player in making professional cleaning equipment. Nilfisk-Advance is currently represented in every part of the globe due to steadily obtaining lots of smaller companies so as to expand their product range and presence in new markets. They are really proud to present a range of cleaning solutions to suit every requirement.
