

Fork Mounted Sweepers

Fork Mounted Sweeper - This particular accessory makes industrial sweeping work much easier to do. The handy forklift mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water with ease. This attachment is often used to be able to clean trash from docks, parking lots, warehouses, construction sites and almost anyplace it is needed. The lift truck sweeper is a low maintenance attachment which make use of quick-tite blade products to easily connect to the lift truck.
